HALTER AND PERFORMANCE POINTS RECORDING SYSTEM

OBJECTIVE OF THE PERFORMANCE RECORDING SYSTEM:

It is through competition that the Quarter Horse will prove itself to New Zealanders. It is also through competition that a breeder can evaluate his breeding programme in relation to competitions within and outside the breed.

For success the Quarter Horse industry in New Zealand must be able to produce:

- 1) Horses that conform to Quarter Horse breed requirements in conformation.
- 2) Horses that can perform creditably in any recognised form of equestrian activity presently run by recognised national bodies set up to administer them in New Zealand.

ANNUAL HIGH POINT AWARDS

At the end of each show year (viz 31st July) the Council may award to any recorded or Registered Quarter Horse whose Registered owners are current financial members, a High Point Award in each individual class, provided that the highest earning horse, Youth, Amateur or Open Rider of each event has earned at least fifteen points in that event, and at least three different shows, during that show year. Rider High Point Awards are only available to current financial members.

RECOGNISED ORGANISATIONS

The Association will record all achievements by Purebred, Crossbred, Partbred or Appendix horses earned under recognised bodies for equestrian activities.

The Association recognises points earned in competition when the events are run under the jurisdiction of:

- The New Zealand Equestrian Federation
- The Royal Agricultural Society of New Zealand
- The New Zealand Rodeo Association
- The New Zealand Racing Conference
- The New Zealand Polo Association
- The New Zealand Polocrosse Association
- The New Zealand Endurance Riding Association
- Federation of New Zealand Hunt Clubs
- New Zealand Pony Club
- New Zealand Hack and Hunter Society
- The New Zealand Western Riding Federation
- The New Zealand Cutting Horse Association

The above will be termed "open shows" and the points earned at them in competition against horses of any breed will be termed "A points".

- 1) Points will be allocated to all Registered horses - or Recorded horses under 36 months of age.
- 2) Association Awards are only presented to Registered horses or Annual High Point Awards to Progeny Recorded horses 36 months of age and under owned by current financial members.

APPROVED AA AND AAA SHOWS

In addition, the Association will grant permission under its current rules and regulations for organisations or affiliates to hold "AA" approved shows where conditions are met.

Application should be made to the Secretary for the relevant form and upon its completion should be returned to the Secretary with the current fee.

LODGING SHOW RESULTS

The New Zealand Western Riding Federation (NZWRF) will furnish the AQHA-NZ with the results of all shows held under their jurisdiction automatically and members have no need to supply details of their own or their horse's placing's at NZWRF approved shows.

For members competing at all other shows and events it will be necessary to personally forward the results to the AQHA-NZ. This is achieved by use of the SHOW RESULTS BOOK which is available from the Association at current fees. Only results submitted on these forms will be accepted by the Association.

Results of race meetings shall be recorded on the official AQHA-NZ Race Result form. Copies of this form are available from the Secretary. Only results recorded on this form will be accepted

ANNUAL HIGH POINT AWARDS

At the end of each show year (viz 31st July) the Council may award to any recorded or Registered Quarter Horse whose Registered owners are current financial members, a High Point Award in each individual class, provided that the highest earning horse, Youth, Amateur or Open Rider of each event, and at least three different shows, during that show year. Rider High Point Awards are only available to current financial members.
